## State The Following:

I am giving this statement to Trooper Stephanie Simpson of the New York State Police regarding an incident that took place back in what I believe to be January 3rd, 2017. I am employed with the Saint Lawrence Seaway Development Corporation as a warehouse worker. I'm not certain what time of day it was, I'm pretty sure it was in the afternoon. I was standing about halfway in a supply office room of the maintenance building number one, speaking with [REDACTED]. Rick Price was saying goodbye to everyone because he was retiring and that was his last day. [REDACTED] walked into the room and [REDACTED] had her back to us, facing the copier. Rick had already said goodbye to [REDACTED] and before [REDACTED] came in the room. Rick was getting ready to say goodbye to [REDACTED], with what I thought was going to be an innocent hug. It turned into Rick coming in from what I thought would be a one arm hug from the side. I saw him grab [REDACTED] with one of his arms underneath her armpit, as he came up with what I believe was his left arm, and grabbing her left breast. [REDACTED] and I both had a look of shock on our faces. He was shaking her while this was going on and he looked at her and said, "I'm retiring now. There is nothing you can do to me." as he laughed about it. That was the sick part about it. He thought it was funny. We all dispersed for a few minutes. I'm not certain if there were words exchanged between the two of them. I was still in shock as to what just occurred. Rick left and I went next door to [REDACTED] office to check on her. She was visibly upset but was still dumbfounded that Rick had just done what he had to her. I know that [REDACTED] had not seen what had happened as she was not facing us. I know that [REDACTED] had reported the incident to our security guy. A statement was taken from me at work about it but I never heard anything more as to what happened, other than I know that Rick is no longer allowed out at the Seaway.
